

ATM AGREEMENT AND ELECTRONIC FUNDS TRANSFER DISCLOSURE

Introduction

This Agreement covers your ATM Card issued by United Trades Federal Credit Union. In this Agreement, the term “card” means the ATM Card services as approved for you by the Credit Union. The words “you” and “yours” mean those who sign as applicants, any authorized users, or the person whose name is embossed on the card. The words “we” and “our” mean United Trades Federal Credit Union, (“Credit Union”).

Services

ATM: You may use your card and Personal Identification Number (PIN) in automated teller machines that display the NYCE and Co-Op Logos.

Definition and Identification of Terminals Available to Cardholders

For purposes of this disclosure, a “terminal” includes automated teller machines (ATM). An ATM terminal can be used without the assistance of another person and the use of a PIN is required to complete the transaction.

Located on or near each terminal is a listing of the card issuers and networks whose cardholders may use the terminal. Sometimes symbols are used instead of names. In most cases, a larger or more conspicuous sign or symbol will identify the terminal owner or operator.

ATM Out-Of-Network Fees

Fees or surcharges from ATM’s not owned by United Trades FCU may apply. The ATM owner determines the amount of the fee or surcharge that they charge. The out-of-network fees are included in the total amount withdrawn from your account.

Service Limitations

ATMs: You may withdraw up to \$1,000.00 or the maximum allowed at an ATM (if there are sufficient funds in your account) per day (12:30am to 12:30am Pacific Standard Time) at any authorized ATM. For the purpose of determining whether this limit has been reached. You are allowed three (3) attempts to enter the correct PIN at an ATM, on the fourth failed attempt in any one business day the ATM is authorized to retain your card.

Fees and Charges

We impose the following fees and charges for ATM transactions or the right to make ATM transactions:

Plastic Cards – You will be charged a fee when applying for the ATM card and when requesting a replacement card. Additional fees may apply and are listed on the current Credit Union Fee Schedule. Cards issued at expiration will not be charged.

ATM User Fees - A fee of \$2.00 will be charged for each ATM withdrawal performed at an ATM outside of the credit union's primary networks – Co-Op and NYCE. The User fee will be included in the total amount withdrawn from your account.

Collection Costs – We may pay someone else to help collect your account if you do not pay. You agree to pay us that amount. This includes all collection costs, court costs, disbursement and reasonable attorney fees, whether or not there is a lawsuit, including fees on appeal.

Research and Copy – If you ask us to examine your account or provide copies of documents, except in resolution of a billing error, we may charge you: for each copy of a transaction receipt, per page for transaction histories or statement copies, and per hour research as disclosed in the current Fee Schedule.

Liability

If a card is issued to you and others in a joint application, each use of the card shall be a debit or extension of credit to all, and each of you shall be jointly and severally liable. If you allow anyone else to use your card, you will be liable for all debts or extensions of credit to such person.
